ABOUT MCMCER

The M.C. Mehta Centre for Education and Research distinguishes itself by combining decades of environmental advocacy with vast legal and policy experience. The Centre, founded on the legacy of Shri M.C. Mehta, India's leading environmental lawyer and the recipient of global honours such as the Padma Shri, Ramon Magsaysay Award, and UNEP Global 500, is uniquely positioned to provide principled and practical training. The Centre is committed to teaching the next generation of environmental professionals in the same way that it has shaped groundbreaking environmental jurisprudence in India.

This executive certificate course is designed for professionals who seek practical insights coupled with regulatory clarity and a values-driven approach to sustainability. Our curriculum stands out for its interdisciplinary focus, policy-based insights, and real-world relevance for organisations operating in the fast-developing Legal and ESG sector.

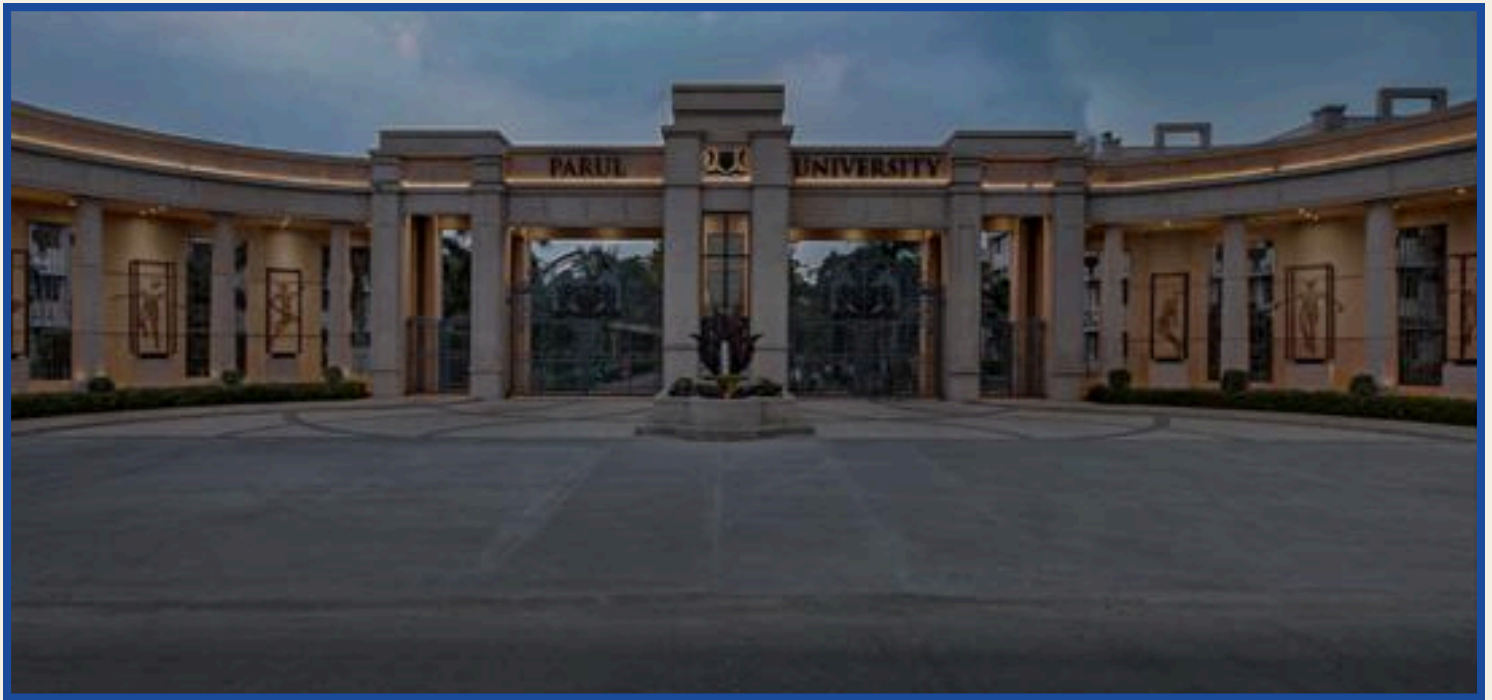

ABOUT PU

Situated at the heart of the cultural capital of Gujarat, Vadodara, Parul University is a testament to the fusion of rich cultural heritage history and the contemporary 21st century. Since its establishment in 1993 to being recognized as Parul University in 2015 under the Gujarat Private Universities Act 2009, the University has emerged as the Best Private University in Western India and has evolved into one of the leading educational institutions in the country. The university has emerged to be a leading destination for innovation, entrepreneurship, research, internationalization, and industry-linked education; paving the way for next-generation leaders of tomorrow.

In 2023, the university was accredited with the highest grade of NAAC A++ by the governing body, the National Assessment and Accreditation Council. In 2024, the university was conferred with the status of Category-1 University with a Grant of Graded Autonomy by University Grants Commission (UGC), becoming the youngest private state university to achieve this status. The university has ranked among the Top 50 Universities in Innovation across the nation for two consecutive years in the NIRF rankings, has received the Diamond rating in QS I-GAUGE Indian Universities Rating, and has received Platinum Rating in Outcome-Based Education by the R. The Executive Development Programs (EDPs) at Parul University aim to provide industry leaders, managers, and professionals with advanced skills, strategic insights, and leadership capabilities.

These programs bridge academic knowledge and real-world applications, facilitating continuous learning and professional growth.

PADMA SHRI MAHESH CHANDER MEHTA

In today's rapidly changing global landscape, Environmental, Social, and Governance (ESG) factors are reshaping how businesses operate, how investors allocate capital, and how regulators define corporate accountability.

ESG is no longer optional — it is a strategic imperative that drives risk management, long-term value creation, company reputation, and regulatory compliance

This executive certificate course on BRSR by the M.C. Mehta Centre for Education and Research and Parul University offers a comprehensive introduction to BRSR and ESG concepts and standards, as well as the practical tools that organisations, investors, and professionals need to comply with regulatory and stakeholder expectations.

Through carefully designed course modules, course participants gain a solid understanding of the key principles, frameworks, standards, and skills needed to integrate ESG into business practice and investment decisions, including understanding how ESG contributes to long-term value creation, stakeholder trust, and sustainable development.

ABOUT THE PROGRAM

This Executive Certificate Course from MC Mehta Centre for Education and Research and Parul University focuses on the practical application of ESG concepts and provides training in the leading national disclosure framework under SEBI's Business Responsibility and Sustainability Reporting (BRSR) standards. It equips participants with the knowledge and skills needed to understand, interpret, and implement BRSR and BRSR Core, while also addressing the evolving regulatory expectations that are shaping sustainability, responsible business conduct, and corporate governance practices in India

Foundations & Evolution:

Understand ESG basics and trace the regulatory journey of BRSR in India (MCA, SEBI, NGRBC)

Stakeholders: Identify why investors, regulators, consumers, and employees depend on BRSR disclosures

Corporate Benefits: Analyse how BRSR reporting boosts investor confidence, ensures compliance, and drives long-term value

Framework Mastery: Interpret BRSR framework, Annexure II (section-wise disclosures), and Annexure I (BRSR Core assurance)

Mandatory vs Voluntary: Differentiate SEBI's mandatory BRSR for listed entities vs voluntary adoption for smaller/unlisted firms

Data Skills: Learn to collect, collate, and present ESG data using templates and structured formats

Global Alignment: Map BRSR disclosures to UN Sustainable Development Goals (SDGs)

Practical Application: Conduct mock exercises—prepare full BRSR templates and analyse real corporate reports
